February 2017

We Love February

February brings a new quarter for discovery and AR reading. The month of February is also the kick-off of a Semester 2 Reading Competition open to fourth and fifth graders called Battle of the Books. Visit our Library homepage, and click on the links to the right for details.

An enormous **Thank You to Alan St. Jean**, this year's visiting author. The students were delighted and inspired by his many tales and advice for writing and inspiration.
